

# Acknowledgments

The members of the Interstate Technology & Regulatory Council (ITRC) Soil Background and Risk Assessment (SBR) Team wish to acknowledge the individuals, organizations, and agencies that contributed to this guidance.

As part of the broader ITRC effort, the SBR Team effort is funded primarily by the U.S. Department of Energy. Additional funding and support have been provided by the U.S. Department of Defense and the U.S. Environmental Protection Agency.

The SBR team was led by Bonnie Brooks of the Washington Department of Ecology and Claudio Sorrentino of the California Department of Toxic Substances Control.

Team leaders were assisted by program advisors Jim Rocco and Lesley Hay Wilson of Sage Risk Solutions LLC.

Specifically, the team recognizes the efforts and important contributions of the following:
